APPEAL

Humble requests to kind-hearted property lovers.

Veda Sanskrit Academy is an **NGO** established in **2003** in a small village called **Hegde**, Kumta Taluk, Uttara Kannada District, Karnataka State. It is engaged in the promotion and dissemination of **Vedas and Sanskrit**. It is a registered organization under the K.S.R.A. 1960. Started an educational institution named "**Shri Mahaganapati Samskrita Pathashala**" for the propagation of **Veda and Samskrita**. distributed and disseminated the initial position of Vedas and Sanskrit to hundreds of students.

Similarly, for those who are knowledgeable, a national level research-oriented periodical named "**Journal of Veda Sanskrit Academy**" has been continuously published since 2013. | This journal has an **ISSN number**. Our journal's name has also been included in the **UGC CARE List**. The volume of this journal is published twice a year.

The 25th volume of the Sampata for the period from January to June 2025 is being celebrated as "**Rajata Sambhram**". To perpetuate this period, the Academy has decided to construct an auditorium on the existing building. As everyone knows, this requires **Vitamin M**. The Academy has already started the work with the funds it has. It is a **26 x 16** meter auditorium. It will have a bathroom and toilet attached to it, which will be useful for conducting any Vedic work or holding a small meeting. It is estimated to cost about three lakhs

It would be very helpful if any generous donors could join hands in the construction of this building. Whoever donates money will be given the name suggested by him for this auditorium. And the auditorium will be inaugurated by his hands. We kindly request you to join hands with us, considering this a golden opportunity to immortalize the names of your parents or loved ones.

His faithfulness,

(On behalf of the Academy)

Dr. Gopalakrishna Hegde

(Jyotisha Shastra & Dharmashastra Vidwan)

Director, Veda Sanskrit Academy (R)
